When you work on the go, you need a headset you can rely on. Our advanced battery efficiency technology and new digital chipset have helped us to squeeze a full 37 hours of juice from this powerful wireless headset. But there's also an optional charging stand – just in case.

Optimized for all-day comfort

We designed the perfect shape using biometric measurements from hundreds of heads, added soft memory foam cushions that mold to your ear's natural contours, and assembled it using durable, premium materials.
